I've been told  
that I have a  
really tight pussy  
for a fifty-two  
year old. Yes,  
it's seen more  
than it's share of  
cocks, but has  
stayed firm and  
tight and ready  
for more. I admit  
that I've had  
more than cocks  
in there, so I'm  
happy that my  
little friend can  
stay so elastic.

# Rheina

Believe it or not, I  
have just recently  
started shaving  
down there. It's  
been a slow and  
tedious process.  
I began with different  
types of  
waxes and they  
hurt. I would do  
different pubic  
cuts, but they  
too were troublesome.  
Now my  
pussy's bald and  
easy to maintain.  
Besides, everyone,  
including  
me, loves it  
that way.

You would think at my age,  
I would like to be in charge,  
even with a younger man.  
Well, that's not the case with  
me. It's just not my thing. It's  
not a turn on if I have to bark  
out directions or take the  
initiative. I want the guy to  
do that. I want him to decide  
when he shoves his dick into  
me. Don't just talk about it.  
Come over here and take  
some action, dude. That  
gets me hot.

I've never had a man say no to my advances. When I want to bed a guy, I'll be right up front with him. Like at the supermarket last month. I saw a nice-looking, well-groomed man getting a coffee from the in-store coffee house. I pushed my shopping cart over there, and told the barista that I'll have what the gentleman is having, being sure he could hear me.

# Lake

She made me the drink and I took it over to his table, put it down and asked if I could join him for a minute. He looked at me, smiled and said "Sure."

*Impress your woman by complimenting her, cuddling with her, kissing her, comforting her, protecting her, hugging her, wine and dining her, listening to her, respecting her, supporting her and going to the ends of the earth for her.*

*Impress your man by arriving naked... and with a beer.*

often the best fuck is the one you've been getting all along

# don't let the party end so soon dining, dancing, fucking

*WHEN EVERYONE ELSE IS TUCKED SNUG IN THEIR BEDS, IT'S TIME FOR US NIGHT OWLS TO PLAY*

It's 2 am on a Saturday morning and we're finally getting to Cookie's house. We'd been drinking and dancing all night at the Silver Fox Lounge and were all pretty drunk. Cookie was the least wasted and was driving with some caution. She pulled into the driveway of her modest house when suddenly a light came on from a sensor over the garage. Stopping the car in the driveway, Fred got out of the front passenger seat and opened the door for Kameron who was sitting behind him. Cookie got out the driver's door and opened Ariana's for her. Ariana was leaning on the door when Cookie opened it and fell out onto the driveway asphalt but didn't seem to hurt herself. Cookie bent over to help her up and grunted as she pushed Ariana upright against the car.

Cookie is a sexy woman who always seems to be in control. Firm from her daily workouts, she exudes confidence and strength. She also has great breasts and a thin waist that sits on top of a firm ass. She has green eyes and her lips seem to be always moving thanks to her constant jabbering.

Ariana, on the other hand, is the shy one of the group

until she gets some booze into her. She just doesn't know when to stop and always seems to have needed some sort of help from us before this evening ended. Fortunately, she rarely pukes. Fred has dealt with these kind of women before. He went around to help with Ariana. Cookie looked at him from the opposite side of Ariana and smiled, he really is a gentleman. She always thought that Fred was cute but was afraid that he was like the other guys, get the girl drunk, rub up against her, fuck for thirty seconds and fall asleep. She hoped she was wrong.

Kameron was Fred's current girlfriend. She got the keys from Cookie and went and opened the door. Fred and Cookie held Ariana up as they climbed the front steps. When they got inside, they leaned Ariana against the wall and Kameron rushed off to the kitchen to get a wet cloth to put on Ariana's forehead.

Ariana was pulled over to the sofa and laid down. Cookie unbuttoned a couple buttons on her blouse so her clothes would not be too binding. Kameron came in with a damp towel and put it on Ariana's forehead. Water dripped down her temples and into her ears. That made Ariana bolt up and try to dry them, missing

*Kameron pulled him closer and kissed him full  
on the mouth and pushed her hot tongue into his  
mouth and flicked it back and forth....*

her ears each time she brushed her hands by. Lending her his arm, Ariana pulled herself up and held on. They followed Cookie up the stairs to the room that Ariana would be recovering in.

Cookie indicated to the first doorway on their left and opened the door for them. Ariana was led to the bed and plopped down on it. Cookie started to undress her and then realized Fred was standing there watching. "Well?!?" she said. "Get over here and help me." Fred pulled off her boots as Cookie worked her upper body. "Sit her up for me." she asked. Fred grabbed under her armpits and Cookie stripped off her blouse and then her bra. She took a moment to rub the bra lines on Ariana's boobs and gave them a quick squeeze as she smirked at Fred. Cookie set her back down as Fred went down to her feet and grabbed the hems of her pants getting them off in one long hard pull. "I'll finish." said Cookie as she pushed Fred away and grabbed Ariana's panties and pulled them off. Fred found a light blanket on a chair, unfolded it and threw it over her. "Let her sleep." pronounced Cookie as they left the bedroom. Pointing to the door next to the bedroom, Cookie says, "You and Kameron can have that bedroom."

She led the way back down the stairs and into the kitchen. Kameron had poured everyone a double shot. Cookie and Fred grabbed their shots and all

three together downed them. They grabbed their sodas for chasers and took a drink. "That's plenty for all of us." said Kameron. "We don't want to get shit-faced like Ariana." They all laughed. Kameron grabbed one of each's hand and pulled them out of the kitchen and into the living room. Cookie turned on the TV and began flipping through channels. She picked a show but when it went to commercial she would move to a movie and after a couple of minutes get bored and go back to channel surfing. After some time of this, Cookie handed the remote to Kameron who had been flirting with Fred.

He said "We've seen everything on the tube." But just then Kameron landed on a porn movie, Fred stopped with his mouth half open. Kameron looked at him and laughed at his expression. Cookie blurted out that she was starting to lose it and better get up the stairs before she couldn't. Kameron turned to Fred when Cookie's footsteps receded up the stairs. Wasting no time, she leaned in and kissed him and he returned the affection along her jaw and when he reached her mouth he kissed her upper lip and then sucked on it gently. After the last kiss, he brushed his tongue along her lips. Kameron pulled him closer and kissed him full on the mouth and pushed her hot tongue into his mouth and flicked it back and forth on the tip of his. When she pulled her tongue back, Fred took in her lower lip and nibbled it, then ran his tongue over the inside of it. Kameron pushed him away, stood up off the sofa and undressed, releasing her full, firm succulent breasts and her hairless, glistening pussy.

Fred stood and grabbed her by the shoulders, lowering her down on the sofa. He kneeled down and pulled one of her legs over his shoulder and dove right in to her slick pussy. He licked up and down her slit and whenever he reached her soaking wet hole he pushed his tongue in. Fred came up to her clit and started to lick it as he slowly slipped his middle and ring finger into her pussy. He then sucked on her clit and curled his fingers up and started to slide them in and out. Fred soon felt a rush of Kameron's juices, he lapped it up as it came out. Kameron whispered "Let's go upstairs and do it right." He held out his hand to pull her up and grabbed her clothes off the floor.

*He walks over to her and she slides her hand under his balls, pulling his hips and very stiff cock over to her waiting mouth.*

Kameron headed towards the stairs as he looked at her butt in the subdued light. She turned around when she noticed that he wasn't following her, he smiled and walked forward to her. She bounced on her toes which in turn made her lovely breasts bounce. She grabbed Fred's hand and they went up the stairs into their room. They didn't bother turning on the light as there was already a lamp turned on in the corner of the room. Kameron pulled back the covers and threw them off the bed. Fred stood at the end and took off his remaining clothes. She messed with the pillows for a moment and then leaned back on them; and curled her finger a couple times motioning him over to her. He walks over to her and she slides her hand under his balls, pulling his hips and very stiff cock over to her waiting mouth. She licked up and down his long shaft. She'd swirl her tongue around the head and gently nip his shaft with her teeth as she ran them on his shaft. Standing there he reached down and pulled on her pussy lips. Almost automatically, as if he pushed an open button, her legs spread and he slipped his hand between them. She sucked, he fingered. They moaned.

Kameron told him she wants his cock inside her. He positions himself on the bed between her legs and slowly pushes in a couple inches and then pulls out. He did this until he was fully in, then began to slowly pump in and out again. He felt her pussy tighten around his cock with her muscle movements. Kameron closed her eyes and threw her head back moaning softly. Fred leaned down and licked circles around her nipples. With her orgasm finally subsiding, she grabbed his ass and slowly scooted back on the bed while keeping his cock inside her pussy. When they were in a comfortable position, Fred started thrusting harder and harder. He grabbed her breasts and massaged them, tweaking her nipples at the same time. Kameron began to push her hips up to meet Fred's downward thrusting ones. Again he felt her pussy tighten around his cock but he was nowhere near cumming himself, so he kept

pumping into her. He felt her juices running down his leg and soaking the sheets.

Now he felt her slightly relaxed muscles tighten again. Fred looked down at her face and saw her eyes tightly closed and her mouth slightly open. With sweat glistening on her body, her boobs bounced every time he thrust himself into her. He started to pump into her faster as she dug her nails into his butt cheeks and that pushed him over the edge. His cum seemed to burst out with the force of a fireman's hose. When Fred finished, she got down next to his cock. She licked up his cum off the head and down the shaft. Putting her fingers in her cum-soaked pussy then up to her lips, she added that to her oral treat.

A moment later he heard a soft moaning sound that sounded like a climax moan coming from another corner of the room. As his eyes focused in the low room light, he saw a body with a soft glisten of sweat. She stood up and walked over to the bed. She was naked, and she was Ariana. Kameron patted the empty space on the other side of Fred and Ariana climbed in. Still wobbly and obviously horny, Ariana cuddles into Fred's chest and begins to rub his cock. Fred looks at Kameron as she pulls Ariana's head over and they kiss over his chest. "I don't think I'm going to get any sleep." thought Fred as the two ladies' lips met right under his nose.

# Kristine

A big hello to all my fans! I've done this special photo shoot just for you. After almost one hundred adult movies, I retired from the business, but every once in a while I want to let my hair down and play around in front of the camera again. It gets my juices flowing, so I hope you like what you see.

We were amazed and awestruck when we saw this photo set come across our collective desks. The editor did a double take and yes, it's the immortal and immoral Ginger Lynn, and she's about to play with sexy Ally. We couldn't wait to get through the stills, and then the very next day the video arrives!

## Ginger & Ally

We couldn't get it in the computer fast enough. Immediately, we had to know more about the shoot. We're ecstatic to have this and to share with you one of the true superstars of adult entertainment.

*There's hardly anyone who's ever seen adult movies that hasn't heard of Ginger Lynn, or seen any one of her many, many films. Now, in her fifties, she still looks amazing and apparently still loves to fuck.*

Growing up a Midwestern girl, Ginger moved to Los Angeles and after answering an ad for a nude photo shoot, slowly got into the adult business. Movies came easily and often to her because of her astoundingly good looks and voracious sexual appetite.

During her heydays in the Eighties, Ginger fucked every male star and earned, rightly so, a myriad of awards from any company that offered them. Her face was splashed across countless VHS videos and the action inside was just as sexy. Some credit her with almost single-handedly fueling the change to that video format.

It was obvious to those watching that she enjoyed sex. She was animated and giving. Her appetite for cock and pussy was matched by few then, and even now. With big Eighties hair and a California beach babe body, she was every American boy's wet dream.

Shortly after her exit from adult film, she expanded her acting chops with several B films and various appearances. In the early Nineties she hooked up with a notorious bad boy who she insists is not as bad as he's been made out to be.

As the calendar rolled over to a new century, she decided to dip her feet back into the adult pool. Making only a handful of films since Y2K, her magic mouth and pussy are again on full display.

*We're now gathered around the computer watching the dvd go into its slot. After the credits, Ally walks into the living room where Ginger sits.*

Ally sits on the arm of Ginger's chair as she's asked about her budding adult career. Nervous giggles follow as Ginger asks Ally about her sexual limits and turn ons.

Of course, Ginger leads the scenario with probing questions and soft caresses on the newbie. Ally seems rather shy when Ginger asks about her experiences with men, but turns rather shy when Ginger asks about her non-existent girl-girl experience.

Ever so patient and reassuring, Ginger coos and woos the youngster into touching her face and body. Ally learns quickly and shortly is on her knees in front of Ginger exploring tongue kisses.

With long lingering kisses, the two explore each other's mouth's and bodies. Soon pantless, Ally sits back in the big chair as Ginger orchestrates a cunnicle lesson on her shaved pussy.

Never having felt another woman's lips on her pussy, Ally succumbs to Ginger's well-practiced techniques. Expert licking and sucking soon has the young doe moaning and giggling.

Ally returns the favor as the two writhe naked on the floor. More moaning and teaching follow and finally sexy scissoring make the two cum. Ally now has been initiated into Sapphic love by one of the sexiest queens of erotica, and you get to see it all!

BLAIR-NTS-09

### *Classic Cars and Wife*

His vintage 1959 Corvette convertible was sitting by the side of the road with him still in it. He was on his cell phone when I pulled over to ask if he needed any help. I backed my truck up to the bright red beauty and let it block a little of the road so that traffic would have to slow down. I introduced myself and Connor told me it just died as he was driving. I asked if he had enough gas and he said he did. After a few minutes under the hood I found the problem. The distributor cap had come loose and connections weren't being made.

Connor nicely thanked me and offered me a couple hundred dollars cash for helping him. I said that was too much money for anyone and told him I didn't need payment. Just to be around a car as nice as his was reward enough. He said he smiled and put his wallet away, but insisted that he wanted to repay me somehow. As I turned to go, he gave me his business card and made me promise to call him the next day. The next day I called and he asked if I would come to his

*Dear Editor:*

Darryl is one great modern modern woman and I cannot tell you how impressed I am with her and her pictorial. I'm 25 and love older women and she's the perfect example of one. She is young looking, yet, I bet, comes with all the experience of her years. I've been fortunate enough to screw twenty and thirty and forty and fifty year old women, and I have always found that the older they are, the better fuck they are. I can't wait to do a sixty year old or even a seventy year old. I know there are not too many young guys like me out there, which is okay by me, because that means more mature pussy for me! And I'm all for that. But please, do not take my word for it. You must try one, or two for your own. They are right when they say that wine gets better with age!

— Joshua B.

house for dinner. I graciously accepted. I arrived at the address he gave me to find a huge well-manicured home with a tree-lined driveway. I parked short of the front door, walked up to it and rang the bell. Connor invited me in and introduced me to his wife Simone. We had a great meal and Connor went on and on about how kind I was to stop and help him, and he was impressed when I didn't want his money. I told him that there were many things in life more important than money, like the '59 Vette.

He told me there were a few more classic cars and if I wanted to see them, well... The garage seemed bigger than a car dealership. As he opened the door, more than forty classic and vintage cars came into view. I was stunned. As we strolled through the garage, he explained that he needed a shop manager to look after his cars, he didn't have time to manage the mechanics, helpers, etc. Most important to him was having someone he could trust. As the wheels in my head were turning, he offered me a salary starting at twice what I was making. Looking at him I realized

there was something about Connor I liked; knowing this would work I accepted his kind offer.

Over the years, Connor and I became very good friends, sharing our love of cars was the common bond, but more than that we liked each other's company.

Connor was good natured, and generous to a fault. Within six months of working for him, he asked if I would like to move onto the property. I decided that would work, too, and moved into a guest house that was just behind the garage. Over the years, I traveled extensively with Connor attending automotive events all over the world. Connor and I were having a great time, so much so that Simone became a little jealous. After dinner one night, Connor and I settled into the den to watch a movie, this upset Simone so Connor asked her to watch it with us.

We men were both in our early fifties and in very good shape, but Simone was only thirty three, having gotten pregnant when she was nineteen. After a while, Simone's wine got her a little horny and she started playing with Connor's dick, so he pulled it out and stuck it in her mouth. I watched her suck Connor's huge fat manhood greedily; his cum filled her mouth faster than she could swallow so she had a stream of his juice running

down onto her breasts. He pulled her up and kissed her gently, licking his seed from her neck and breasts, then he whispered in her ear, she looked over at me and smiled sheepishly.

Simone stood in front of us and began to undress, slowly removing her blouse and bra before sliding her jeans off and to the floor. She had beautiful long blonde hair that gently rode across her shoulders; her petite frame carried 100 pounds of exquisite beauty. I couldn't help but stare at her breasts, she was a very nice 36 C and her nipples were small and pointed straight out from the full round shape. She giggled a bit as she took a sip of wine and pointed her toe at me, giving me a glimpse of her perfectly shaven

pussy. I took a deep breath and looked over at Connor, he was playing with his still hard cock, and he just smiled at me and nodded OK.

Simone came over to my chair and crawled onto my lap. She looked me in the eye and leaned in close and put her left tit in my face. I said "Simone, I think you are the nicest lady I've ever met, and I would never do anything to hurt or disrespect either you or Connor." She smiled softly and whispered in my ear "I love Connor and he wants me to fuck you, but please don't tell him I want to fuck you, too." She pulled off my shirt as we stood up. Then she pulled my pants and boxers to the floor and my nine inch cock fell against her face as she knelt down in front of me.

I looked over at Connor as she put my cock in her mouth; he was pulling hard at his cock as he said "Go ahead, I want to watch you fuck her." I pulled her up to me and kissed her passionately as her breasts rubbed me and her hand gently stroked my cock. I turned her toward the chair and bent her over so that Connor could see us in profile.

I rubbed her ass cheeks, amazed at how tight and round they were, reaching between her legs I felt her soft bald pussy, it didn't take long before her juice was running onto my hand. I used her juice on my finger to poke at her cute little back door, she giggled as I pushed at it. By now my need to pump my seed was more important than playing with that tight ass, I grabbed my cock and rubbed it on her vaginal lips, her pussy was tight and I had to work to get entry.

After I first got into her sweet little pussy, I pushed my cock head down towards her g-spot, this got her very excited as she danced up and down on her toes, as she got wetter I went deeper, at about half-way she moaned something and then ejaculated all over my cock and hand. This got Connor's attention and he came over to us, climbed over the chair and shoved his cock in Simone's mouth. He started fucking her hard, forcing himself deep into her throat; this got me excited

so I just shoved my cock all the way in and started fucking her like a jackhammer. This was my first threesome; it didn't take long for both of us to shoot massive loads into Simone's hot holes.

My cum was draining down her leg and Connor's cum was running down her neck and dripping off her titties. Simone was swallowing Connor's load and using her fingers to scoop what she could before it got away. Connor licked her titties then flipped her around and sucked on her pussy.

Connor noticed my renewed interest as he pushed Simone to the floor beneath me; he crawled over top of her and plunged his big cock into her waiting pussy. Simone reached up and grabbed my cock, pulling me down to her face so she could lick and suck my balls. Connor grabbed her tits. Simone convulsed with pleasure as she had her first real orgasm.

This made Connor suck her boobs harder as Simone licked at my balls and put her finger in my ass. It hurt at first, then she massaged my prostate, I shot my hot load into her mouth and she swallowed every drop as my cum as his filled Simone's pussy. When Connor pulled out of Simone's pussy, I pushed a finger, then two into her butt hole and this got her very excited and she actually squirted out his and

her cum.

We spent the rest of the night on the floor. Every time a dick got hard, she quickly sucked and fucked it into submission. In the morning, Simone wrapped her arms around me and said "Stay for breakfast." Connor and I smiled, knowing that our friendship was stronger than ever and that Simone was happy about it. And if Simone is happy, we're all happy.

—Conrad, Jacksonville

### **To the Editor,**

I had just had an argument and split up with my man for the third time after I found out he had been seeing other women. On my way home, I decided I needed to clear my mind out so I could get

through the night without hurting him. I decided to get a coffee so I drove through my neighborhood shop. I got the drink and pulled over to a far corner of the lot to let it and me cool down.

The parking lot was all but empty since everyone was driving through. A silver minivan pulled up to park about three spaces away and I ignored it as I thought they too were just going to sit and have their coffees. As I glanced over a couple times I noticed that it was 'rockin' and the passenger window had been lowered.

I could only see half the guy's head which was probably buried in her boobs. I noticed that the woman was looking directly at me so I quickly turned away. However, I turned back to look

and was surprised to find she had opened her door and I could see her boobs were exposed and the man was eagerly kissing her nipples. She turned her head towards me signalling that she wanted me to watch, and I did.

Her seat was moved all the way back and the guy had stepped over her and was straddling her and the car seat. His zipper was down and he was shoving his cock in and out of her mouth. She was obviously into it and took every thrust of his cock. They continued on for several minutes until he must have cum because she grabbed his butt and held it in her mouth.

She leaned forward, bare boobs dangling down as she reached for the door handle and pulled it closed. I sat back in my seat and sipped my coffee. I also noticed that it got me a little wet down there so I slid my hand into my panties, closed my eyes and diddled myself to climax right there with still half a cup of coffee to finish.

—Evan, St. Paul, MN

Sofia is any man's good fortune. She's an incredibly sexy woman that just loves to fuck men. Importantly for us, she understands the camera's role and she makes viewing her sexual escapades in pictures and in videos extra exciting.

# Sofia

She's the madonna and the whore. She's the librarian and the MILF next door. And she does it all with a passion rarely matched.

*mmmmm, quite tasty*

# kynect

www.blair.wekynect.com

*Join and let's start something together. Kynect is a community, not a corporation, dedicated to connecting people to something bigger than themselves. We know, we know...that's bold. But ask around. People start a Kynect business to make extra money; they stay because they're transformed by the family they find here.*

*They stay because they're given the opportunity to help others pursue their passions, big and small. Tens of thousands of lives have been given deeper meaning through the Kynect opportunity, and through our services listed below.\**

**TRUVVI:** Get cash back when you shop at hundreds of merchants, plus paydays when you share the app with your friends. For free. No gimmicks or gotchas. Money back in your pocket, on top of what you already get with other programs.

**Exclusive Hotel Savings:** Unpublished rates on hotels around the world. No blackout dates. Get refunded 110% of the price difference if you find a cheaper hotel deal somewhere else.

**Deals on Wheels:** Unlock savings on car rentals from the most trusted agencies.

**ENERGY PLANS:** Powering Your Lifestyle. From electricity and natural gas plans with fixed or variable rates to renewable options, Stream offers a competitive plan to fit your lifestyle. Take care of our planet with **Stream Green** plans backed by 100% renewable energy.

**WIRELESS SERVICES:** **XTRA Unlimited.** Nationwide talk, text and data. Never worry about overages. 5GB of high-speed data included on every line. **Unlimited essentials+.** 15GB of high speed data included on every line. Select the number of lines and preview your price. Per line pricing: Line 1 - \$50, Line 2 - \$30, Line 3 - \$30, Line 4 - \$30.

**PROTECTIVE SERVICES:** Life happens. But that doesn't mean you have to worry about it. Discover the peace of mind that comes from Protective Services, covering your health, travels, technology, and identity, so you can live worry-free.

**Virtual MD:** We bring the doctor to you. Get the care you need when you need it most from U.S. Board Certified doctors, without leaving home. No stress, no copays, no more wasting time in the waiting room. Just quality healthcare made easy.

**Roadside Assistance:** Get help when you need it most! Stranded with no fuel or a flat tire? You'll never worry about being stuck on the side of the freeway again! With one call, help is on the way to get you back on the road.

**Identity Protection:** Safeguard your identity, plus get \$1 million coverage. Safeguarding your identity is now more important than ever! Identity Protection alerts you immediately if any suspicious activity occurs. And \$0 deductible!

**Tech Support:** Keep your devices running smoothly and your files safe. Keep all your connected devices running smoothly—with unlimited access to highly skilled technicians. You'll also get 100 GB of triple-encrypted cloud-based storage that allows you to store or automatically back up files from multiple devices, including your cell phone or your computer!

---

*"It's the sum of everything that determines how the world interacts with and experiences Kynect. That's why we put our best foot forward to showcase who we are consistently in everything we do."*

compatible with devices and operating systems

It's quite appropriate that Kristal hails from someplace hot. She, kept getting into trouble when she was younger. You could say she was a wild child but likes to think of herself more as a free spirit. However spending free moments can be a chore. But never a day arises when she would want to rewrite her story.

# Kristal

Although readily admitting that looks are important when it comes to choosing sexual partners, Kristal equally appreciates sincerity, warmth and a sense of humor in a man. She's all about goofy banter and soft eyes. Those sorts of things drop her to her knees in front of the man she wants.
